O R D E R:

The petitioners 1 to 4 state that they are the owners and possessors of the land admeasuring 133.6, 130, 132 and 130 sq.yards in Sy.No.77/10 situated at Vepagunta Village, Pendurthi Mandal, Visakhapatnam District and petitioners 5 to 7 are the owners and possessors of land admeasuring 300, 200 and 400 sq.yards in Sy.No.31 situated at Cheemalapalli Village, Pendurthi Mandal, Visakhapatnam District, respectively, and that they intended to sell the said property and entered into an agreement with the intending purchaser. According to them, the documents executed by them were presented to the second respondent, for registration. The grievance of the petitioners is that the second respondent is not accepting the documents for registration, on the ground that the Government issued a notification under Section 22-A of the Registration Act, 1908 (for short 'the Act'), in respect of the land in the said survey numbers. This writ petition is filed seeking appropriate directions to the respondents in this regard.

Heard the learned counsel for the petitioners and the learned Government Pleader for Revenue.

Section 22-A of the Act empowered the Government to issue notifications almost preventing the registration of documents in respect of the lands to be mentioned therein. Such a power was held to be *ultra vires* and the provision was struck down by the

Hon'ble Supreme Court in ***State of Rajasthan v. Basanth Nahata***[1]**.**

Once the sole basis for the second respondent to refuse registration had disappeared, he is under obligation to receive the documents and consider the same in accordance with the provisions of the Indian Stamp Act and the Registration Act.

Hence, the writ petition is disposed of, directing the second respondent to receive and process the document presented by the petitioners and take necessary steps in accordance with the provisions of the Indian Stamp Act and the Registration Act, within one week from the date of receipt of a copy of this order. There shall be no order as to costs.
